SMP PRO

Scalp Micropigmentation (SMP) is a cosmetic tattoo technique that adds tiny pigment dots to the scalp to mimic real hair follicles. It instantly reduces the look of thinning and creates the appearance of fuller, thicker hair without surgery or downtime.

For men, SMP can rebuild a natural hairline, fill thinning areas or create the clean buzz-cut look. For women, it adds soft density through the part line or crown, helping the hair look naturally fuller and more balanced. The results are realistic, long-lasting and confidence boosting.

Pricing is available through consultation only, as it depends on how much coverage you need and the level of thickness and density you're wanting to achieve.

Great for a natural look with ample hair. Microblading shapes and fills brows with hair strokes beneath, done close to your skin's surface for a crisp appearance after healing.

COMBINATION BROWS

2 hrs \$600

Ideal for a natural look with abundant hair. Microblading enhances eyebrows by tattooing hair-like strokes underneath, close to the skin's surface. This results in a clean and crisp look after healing.

2 hrs \$600

Suitable for all - whether you have little or lots of hair, oily or mature skin. Achieve beautiful ombré brows which lasts from 12-24 months based on your skin type.

LIP BLUSH

FAQ'S

DO I NEED TO BOOK IN ADVANCE, OR CAN I WALK IN?

We recommend booking ahead to secure your preferred time and artist/therapist, as our team's schedules fill quickly. Walk-ins are welcome when available, but not guaranteed.

IS THERE A MINIMUM AGE FOR TREATMENTS

Most of our services are suitable for all ages. However, you must be 18+ for tattooing and cosmetic injectables. Some treatments for teens (like nails, lashes, or facials) may require parental consent.

WHAT SHOULD I DO BEFORE MY APPOINTMENT?

Please arrive 5-10 minutes early so you're relaxed and ready. For cosmetic tattoos, injectables, or tattooing avoid alcohol, caffeine, and blood-thinning medications 24 hours prior. For spray tans, come with clean, exfoliated skin and no lotions or deodorant. Please check with your technician to confirm your pre procedure preparation.

HOW DO I CARE FOR MY TREATMENT AFTERWARDS?

Aftercare instructions vary depending on the service. Your therapist will give you personalised aftercare guidance for the best results whether it's healing a tattoo, extending lash life, or protecting your new glow after a facial.

WHAT'S THE CANCELLATION OR RESCHEDULING POLICY?

We kindly ask for at least 48 hours' notice to cancel or reschedule. Late cancellations or no-shows may incur a fee or be blocked from the system, as we set aside that time just for you.

ARE YOUR STAFF QUALIFIED AND LICENSED?

Yes! All of our artists, nurses, and therapists are fully qualified, licensed, and insured in their specialties. We hand pick our team so you're always in safe, skilled hands.

DO YOU OFFER PACKAGES OR GIFT VOUCHERS?

Yes, we offer gift vouchers in the salon. As our team operates as individual businesses, please confirm which services or team members accept gift vouchers before purchasing.

DO YOU OFFER COSMETIC INJECTABLES?

Yes, we do. Due to updated TGA guidelines, we're unable to display prices on price lists, websites, or marketing materials. Cosmetic injectables are now referred to as Cosmetic Aesthetics, and pricing will be provided during your consultation.

WHY ARE THERE SAME SERVICES BUT DIFFERENT PRICES IN THE PRICELIST?

Our salon is home to multiple independent businesses under one roof. While we aim to have one main team member per service, some overlap—so prices may vary between artists depending on their own business and pricing structure.
